Listing Procedures

Section 1 Listing Procedures

Listings of real or personal property of the following types, which are listed subject to a real estate broker's license, and are located within the service area of the multiple listing service, and are taken by participants shall be delivered to the multiple listing service **within 3 Business days Monday through Friday excludes Legal Holidays**, after all necessary signatures of seller(s) have been obtained: *(Amended 11/01) (MLS 6/10, 5/11,5/12/4/13, 8/13, 8/14, 11/17, 2/27/2019, 3/18/2020).*

- a. single family homes for sale or exchange
- b. vacant lots and acreage for sale or exchange
- c. two-family, three-family, and four-family residential buildings for sale or exchange

Participants with the appropriate Indiana licenses may enter a property for auction in the multiple listing service.

Note 1: The multiple listing service shall not require a participant to submit listings on a form other than the form the participant individually chooses to utilize provided the listing is of a type accepted by the service, although a property data form may be required as approved by the multiple listing service. However, the multiple listing service, through its legal counsel:

- may reserve the right to refuse to accept a listing form which fails to adequately protect the interests of the public and the participants
- assure that no listing form filed with the multiple listing service establishes, directly or indirectly, any contractual relationship between the multiple listing service and the client (buyer or seller)

The multiple listing service shall accept exclusive right-to-sell listing contracts and exclusive agency listing contracts, and may accept other forms of agreement which make it possible for the listing broker to cooperate with other participants of the multiple listing service acting as subagents, buyer agents, or both. *(Amended 08/24)*

The listing agreement must include the seller's written authorization to submit the agreement to the multiple listing service. *(Amended 11/96)*

The different types of listing agreements include:

- exclusive right-to-sell
- open
- exclusive agency
- net

The service may not accept **net listings** because they are deemed unethical and, in most states, illegal. **Open listings** are not accepted except where required by law because the inherent nature of an open listing. *Cooperation is the obligation to share information on listed property and to make property available to other brokers for showing to prospective purchasers and tenants when it is in the best interests of their clients (Amended 8/24)*

The **exclusive right-to-sell** listing is the form of listing where the seller authorizes exclusive authorization to the listing broker to cooperate with other brokers in the sale of the property. *(Amended 8/24)*

The **exclusive agency** listing also authorizes the listing broker, as exclusive agent, to cooperate with other brokers in the sale of the property, but also reserves to the seller the general right to sell the property on an unlimited or restrictive basis. Exclusive agency listings and exclusive right-to-sell listings with named prospects exempt should be clearly distinguished by a simple designation such as a code or symbol from exclusive right-to-sell listings with no named prospects exempt, since they can present special risks of procuring cause controversies and administrative problems not posed by exclusive right-to-sell listings with no named prospects exempt. Care should be exercised to ensure that different codes or symbols are used to denote exclusive agency and exclusive right-to-sell listings with prospect reservations. *(Amended 8/24)*

Note 2: A multiple listing service does not regulate the type of listings its members may take. This does not mean that a multiple listing service must accept every type of listing. The multiple listing service shall decline to accept open listings (except where acceptance is required by law) and net listings, and it may limit its service to listings of certain kinds of property. But, if it chooses to limit the kind of listings it will accept, it shall leave its members free to accept such listings to be handled outside the multiple listing service.

Note 3: A multiple listing service may, as a matter of local option, accept exclusively listed property that is subject to auction. If such listings do not show a listed price, they may be included in a separate section of the MLS compilation of current listings. *(Adopted 11/92) M*

Section 4.3 Solicitation of Listing Filed with the Service

Participants shall not solicit a listing on property filed with the service unless such solicitation is consistent with Article 16 of the REALTORS' Code of Ethics, its Standards of Practice, and its Case Interpretations.

Note: This section is to be construed in a manner consistent with Article 16 of the Code of Ethics and particularly Standard of Practice 16-4. This section is intended to encourage sellers to permit their properties to be filed with the service by protecting them from being solicited, prior to expiration of the listing, by brokers and salespersons seeking the listing upon its expiration.

Without such protection, a seller could receive hundreds of calls, communications, and visits from brokers and salespersons who have been made aware through MLS filing of the date the listing will expire and desire to substitute themselves for the present broker.

This section is also intended to encourage brokers to participate in the service by assuring them that other participants will not attempt to persuade the seller to breach the listing agreement or to interfere with their attempts to market the property. Absent the protection afforded by this section, listing brokers would be most reluctant to generally disclose the identity of the seller or the availability of the property to other brokers.

This section does not preclude solicitation of listings under the circumstances otherwise recognized by the Standards of Practice related to Article 16 of the Code of Ethics. **M**

Section 4.4 Use of the Terms MLS and Multiple Listing Service

No MLS participant, subscriber, or licensee affiliated with any participant shall, through the name of their firm, their URLs, their e-mail addresses, their website addresses, or in any other way represent, suggest, or imply that the individual or firm is an MLS, or that they operate an MLS. Participants, subscribers and licensees affiliated with participants shall not represent, suggest, or imply that consumers or others have direct access to MLS databases, or that consumers or others are able to search MLS databases available only to participants and subscribers. This does not

prohibit participants and subscribers from representing that any information they are authorized under MLS rules to provide to clients or customers is available on their websites or otherwise. (Adopted 11/07) **O**

Section 4.5, Services Advertised as “Free”

MLS participants and subscribers must not represent that their brokerage services to a client or customer are free or available at no cost to their clients, unless the participant or subscriber will receive no financial compensation from any source for those services. (Amended 11/21) **M**

Section 4.6 No Filtering of Listings

Participants and Subscribers must not filter out or restrict MLS listings that are communicated to customers or clients based on the existence or level of compensation offered to the cooperating broker or the name of a brokerage or agent. **M**

Division of Commissions

Section 5 No Compensation Specified on MLS Listings

Participants, Subscribers, or their sellers may not make offers of compensation to buyer brokers and other buyer representatives in the MLS.

Use of MLS data or data feeds to directly or indirectly establish or maintain a platform to make offers of compensation from multiple brokers to buyer brokers or other buyer representatives is prohibited and must result in the MLS terminating that Participant’s access to any MLS data and data feeds.

Note 1: The multiple listing service must not have a rule requiring the listing broker to disclose the amount of total negotiated commission in his listing contract, and the multiple listing service shall not publish the total negotiated commission on a listing which has been submitted to the MLS by a participant. The multiple listing service must prohibit disclosing in any way the total commission negotiated between the seller and the listing broker, or total broker compensation (i.e. combined compensation to both listing brokers and buyer brokers).

Note 2: The multiple listing service shall make no rule on the division of commissions between participants and nonparticipants. This should remain solely the responsibility of the Listing Broker.

Note 3: Multiple listing services must give Participants the ability to disclose to other Participants any potential for a short sale. As used in these rules, short sales are defined as a transaction where title transfers, where the sale price is insufficient to pay the total of all liens and costs of sale and where the seller does not bring sufficient liquid assets to the closing to cure all deficiencies. Multiple listing services may, as a matter of local discretion, require participants to disclose potential short sales when participants know a transaction is a potential short sale.

Section 5.0.0 Required Consumer Disclosure

Disclosure of Compensation: MLS Participants and Subscribers must:

1. Disclose to prospective sellers and buyers that broker compensation is not set by law and is fully negotiable. This must be included in conspicuous language as part of any listing agreement, buyer written agreement, and pre-closing disclosure documents (if any).
2. Conspicuously disclose in writing to sellers, and obtain the seller's authority, for any payments or offer of payments that the listing Participant or seller will make to another broker, agent, or other representative (e.g. real estate attorney) acting for buyers. This disclosure must include the amount or rate of any such payment and be made in writing in advance of any payment or agreement to pay. **M**

Section 5.0.1 Disclosing Potential Short Sales

Participants must disclose potential short sales (defined as a transaction where title transfers, where the sale price is insufficient to pay the total of all liens and costs of sale and where the seller does not bring sufficient liquid assets to the closing to cure all deficiencies) when reasonably known to the listing participants. *(Amended 5/09)*

Section 5.0.2 Written Buyer Agreement

Unless inconsistent with state or federal law or regulation, all MLS Participants and Subscribers working with a buyer must enter into a written agreement with the buyer prior to touring a home. The written agreement must include:

- a. a specific and conspicuous disclosure of the amount or rate of compensation the Participant will receive or how this amount will be determined, to the extent that the Participant will receive compensation from any source;
- b. the amount of compensation must be stated in a manner that is objectively ascertainable and not open-ended.
- c. a term that prohibits the Participant from receiving compensation for brokerage services from any source that exceeds the amount or rate agreed to in the agreement with the buyer; and
- d. a conspicuous statement that broker fees and commissions are not set by law and are fully negotiable. **M**

A copy of the contract must be submitted within 72 hours when requested by the MLS office.

Section 5.1 Participant as Principal

If a participant or any licensee (or licensed or certified appraiser) affiliated with a participant has any ownership interest in a property, the listing of which is to be disseminated through the multiple listing service, that person shall disclose that interest when the listing is filed with the

multiple listing service and such information shall be disseminated to all multiple listing service participants. **M**

Section 5.2 Participant as Purchaser

If a participant or any licensee (including licensed and certified appraisers) affiliated with a participant wishes to acquire an interest in property listed with another participant, such contemplated interest shall be disclosed, in writing, to the listing broker not later than the time an offer to purchase is submitted to the listing broker. *(Adopted 2/92)* **M**

Service Charges

Section 6 Service Fees and Charges

The following service charges for operation of the multiple listing service are in effect to defray the costs of the service and are subject to change from time to time in the manner prescribed:

Initial Participation Fee: An applicant for participation in the service shall pay an application fee. Fee to be determined annually by the Budget and Finance Committee with approval of the MLS Directors and SEIBR Directors.

Note: The initial participation fee shall approximate the cost of bringing the service to the participant.

Recurring Participation Fee: The participation fee shall be determined by the MLS Board of Directors and SEIBR Board of Directors on an annual basis. Participants will be assessed a fee for each salesperson and licensed or certified appraiser who has access to and use of the service, whether licensed as a broker, sales licensee, or licensed or certified appraiser who is employed by or affiliated as an independent contractor with such participant. Participants may be billed on an annual, quarterly or monthly basis. This fee is due at the end of the month when billed. The assessed fee for each individual identified above will be prorated if they join after a new billing cycle has started for the participant they are affiliated with.

However, the participant may request and receive a no-cost waiver of the fees, dues, and charges for any licensee or licensed or certified appraiser who can demonstrate subscription to a different MLS or CIE where the principal broker participates. The MLS may, at their discretion, require that broker participants sign a certification for nonuse of its MLS services by their licensees, which can include penalties and termination of the waiver if violated. *(Amended 5/18 and 8/18)* **M**

Note 2: Any combination of charges may be used if they are in accordance with the National Association's MLS Antitrust Compliance Policy Point No. 3. which prohibits a fee that is contingent on the sale of a listed property.

Note 3: Financing from the multiple listing service should be adequate but not in such amounts as to be the source of financing the association's operation. The multiple listing service

should pay its own way and allow for a reasonable operating reserve, but it is merely another service of the association and not the principal activity or reason for the association's existence. As long as it is able to restrict its services exclusively or primarily to association members, the service is not properly an association profit center.

Note 4: The MLS does not charge a fee for any unlicensed administrative and clerical staff, personal assistants, and/or individuals seeking licensure or certification as real estate appraisers who are affiliated with a participant. However, such access is limited compared to what we provide to participants and subscribers. **R**

Compliance with Rules

Section 7 Compliance with Rules—Authority to Impose Discipline

By becoming and remaining a participant or subscriber in this MLS, each participant and subscriber agrees to be subject to the rules and regulations and any other MLS governance provision. The MLS may, through the administrative and hearing procedures established in these rules, impose discipline for violations of the rules and other MLS governance provisions. Discipline that may be imposed may only consist of one or more of the following:

- a. letter of warning to be emailed to participant or subscriber
- b. letter of reprimand to be emailed to participant or subscriber
- c. attendance at MLS orientation or other appropriate courses or seminars which the participant or subscriber can reasonably attend taking into consideration cost, location, and duration
- d. appropriate, reasonable fine not to exceed \$15,000
- e. suspension of MLS rights, privileges, and services for not less than thirty (30) days nor more than one (1) year
- f. termination of MLS rights, privileges, and services with no right to reapply for a specified period not to exceed three (3) years. *(Adopted 11/07)* **M**

Note 1: A participant (or user/subscriber, where appropriate) can be placed on probation. Probation is not a form of discipline. When a participant (or user/subscriber, where appropriate) is placed on probation the discipline is held in abeyance for a stipulated period of time not longer than one (1) year. Any subsequent finding of a violation of the MLS rules during the probationary period may, at the discretion of the Board of Directors, result in the imposition of the suspended discipline. Absent any subsequent findings of a violation during the probationary period, both the probationary status and the suspended discipline are considered fulfilled, and the individual's record will reflect the fulfillment. The fact that one or more forms of discipline are held in abeyance during the probationary period does not bar imposition of other forms of discipline which will not be held in abeyance. *(Revised 05/14)* **M**

Note 2: MLS participants and subscribers can receive no more than three (3) administrative sanctions in a calendar year before they are required to attend a hearing for their

actions and potential violations of MLS rules, except that the MLS may allow more administrative sanctions for violations of listing information provided by participants and subscribers before requiring a hearing. The MLS must send a copy of all administrative sanctions against a subscriber to the subscriber's participant and the participant is required to attend the hearing of a subscriber who has received more than three (3) administrative sanctions within a calendar year. (Adopted 11/20) **M**

Section 7.1 Compliance with Rules

The following action may be taken for noncompliance with the rules:

- a. for failure to pay any service charge or fee within one (1) month of the date due, and provided that at least ten (10) days' notice has been given, the service shall be suspended until service charges or fees are paid in full
- b. for failure to comply with any other rule, the provisions of Sections 9 and 9.1 shall apply

Note: Generally, warning, censure, and the imposition of a moderate fine are sufficient to constitute a deterrent to violation of the rules and regulations of the multiple listing service. Suspension or termination is an extreme sanction to be used in cases of extreme or repeated violation of the rules and regulations of the service. If the MLS desires to establish a series of moderate fines, they should be clearly specified in the rules and regulations. (Amended 11/88) **R**

Section 7.2 Applicability of Rules to Users and/or Subscribers

Non-principal brokers, sales licensees, appraisers, and others authorized to have access to information published by the MLS are subject to these rules and regulations and may be disciplined for violations thereof provided that the user or subscriber has signed an agreement acknowledging that access to and use of MLS information is contingent on compliance with the rules and regulations. Further, failure of any user or subscriber to abide by the rules and/or any sanction imposed for violations thereof can subject the participant to the same or other discipline. This provision does not eliminate the participant's ultimate responsibility and accountability for all users or subscribers affiliated with the participant. (Adopted 4/92)

Note: Adoption of Section 7.2 is optional and should be adopted by multiple listing services desiring to establish authority to impose discipline on non-principal users or subscribers affiliated with MLS members or participants. (Adopted 4/92) **O**

MLS Policy Statement

Section 1, Policy Statement 7.43

Recurring MLS fees, dues, and charges may be based upon the total number of real estate brokers, sales licensees, and licensed or certified real estate appraisers affiliated with or employed by an MLS participant.

However, MLSs must provide participants the option of a no-cost waiver of MLS fees, dues, and charges for any licensee or licensed or certified appraiser who can demonstrate subscription to a different MLS where the principal broker participates. MLSs may, at their discretion, require waiver recipients and their participant to sign a certification for nonuse of its MLS services, which can include penalties and termination of the waiver if violated.

Section 7.51

To ensure consistent, uniform understanding of an compliance with the multiple listing policies of the National association, all changes incorporated into the National Association's Handbook on Multiple Listing Policy become effective January 1 of the year following their approval by the Board of Directors of the National Association of REALTORS® associations, and multiple listing services shall have sixty (60) days from the effective date of new or amended policies to adopt them locally. **M**

MLS Policy Statement

Section 7.58

Internet Data Exchange ("IDX" Policy, is amended as follows: The IDX policy gives MLS participants the ability to authorize limited electronic display of their listings by other participants. (Adopted 05/12)

Associations of REALTORS® and their multiple listing services must enable MLS participants to display aggregated MLS listing information by specified electronic means in accordance with this policy. Requests for IDX feeds/downloads must be acted on by the MLS within five (5) business days from receipt, barring extenuating circumstances related to an individual's qualification for MLS participation, and review of the participant's and vendor's use of IDX information consistent with the MLS rules, in which case an estimated time of approval or denial must be issued. Electronic display subject to this policy means displays on participants' public websites and displays using applications for mobile devices that participants control. For purposes of this policy "control" means participants must have the ability to add, delete, modify and update information as required by this policy.

All displays of IDX listings must also be under the actual and apparent control of the participant, and must be presented to the public as being the participant's display. Actual control requires that the participant has developed the display, or caused the display to be developed for the participant pursuant to an agreement giving the participant authority to determine what listings will be displayed, and how those listings will be displayed. Apparent control requires that a reasonable consumer viewing the participant's display will understand the display is the participant's and that the display is controlled by the participant. Factors evidencing control include, but are not limited, clear identification of the name of the brokerage firm under which the participant operates in a readily visible color and typeface, except as otherwise provided for in this policy (e.g., displays of minimal information). All electronic display of IDX information conducted pursuant to this policy must comply with state law and regulations, and MLS rules.

Any display of IDX information must be controlled by the participant, including the ability to comply with this policy and applicable MLS rules.

MLS Policy Statement

Section 7.85 Policy Statement Ownership of Listing and Listing Content

The listing broker owns the listing agreement. Prior to submitting a listing to the MLS, the listing broker should own, or have the authority to license all listing content (e.g., photographs, images, graphics, audio and video recordings, virtual tours, drawings, descriptions, remarks, narratives, pricing information, and other details or information related to listed property) to be published in the MLS compilation of listing information. *(Amended 5/16)NAR 2017 M*

Use of listings and listing information by MLSs for purposes other than the defined purposes of MLS requires participants' consent. Such consent cannot be required as a condition of obtaining or maintaining MLS participatory rights. MLSs may presume such consent provided that listing brokers are given adequate prior notice of any intended use unrelated to the defined purpose of MLS, and given the opportunity to affirmatively withhold consent for that use.

Participants cannot be required to transfer ownership rights (including intellectual property rights) in their listings or listing content to MLS to obtain or maintain participatory rights except that MLSs may require participants to grant the licenses necessary for storage, reproduction, compiling, and distribution of listings and listing information to the extent necessary to fulfill the defined purposes of MLS. MLSs may also require participants to warrant that they have the rights in submitted information necessary to grant these rights to MLS. *(Adopted 5/05, Amended 5/16) NAR 2017 M*

Section 8 Meetings

The meetings of the participants in the service or the board of directors of the multiple listing service for the transaction of business of the service shall be held in accordance with the provisions of Article 7, bylaws of the service. **R**

By becoming and remaining a participant, each participant agrees to be subject to these rules and regulations, the enforcement of which are at the sole discretion of the Committee (Board of Directors).

If a complaint is subsequently forwarded to a hearing, and the original complainant does not consent to participating in the process, the MLS will appoint a representative to serve as the complainant. (Amended 11/20) **M**

Section 9.1 Violations of Rules and Regulations

If the alleged offense is a violation of the rules and regulations of the service and does not involve a charge of alleged unethical conduct or request for arbitration, it may be administratively considered and determined by the board of directors of the service, and if a violation is determined, the board of directors may direct the imposition of sanction, provided the recipient of such sanction may request a hearing before the professional standards committee of the association in accordance with the bylaws and rules and regulations of the association of REALTORS® within twenty (20) days following receipt of the directors' decision. (Amended 11/96)

If, rather than conducting an administrative review, the MLS has a procedure established to conduct hearings, any appeal of the decision of the hearing tribunal may be appealed to the board of directors of the MLS within twenty (20) days of the tribunal's decision. Alleged violations involving unethical conduct shall be referred to the professional standards committee of the association of REALTORS® for processing in accordance with the professional standards procedures of the association. If the charge alleges a refusal to arbitrate, such charge shall be referred directly to the board of directors of the association of REALTORS®. (Amended 2/98) **M**

Section 9.11 Citation system

If the participant or subscriber named in a complaint has no more than three (3) administrative sanctions in the current calendar year, then the complaint may be administratively reviewed by staff. If the participant, subscriber or other authorized user has received an administrative sanction at least three other times during the same calendar year, then the matter will be referred to the MLS Committee for a hearing. Such hearings shall utilize the ethics hearing procedures outlined within the National Association of REALTORS® Code of Ethics and Arbitration Manual.

In the event the committee finds the participant, subscriber or other authorized user guilty of a violation, they may impose any discipline authorized under Section 7. Past violations will be counted separately if they involve “listing information provided by participants and subscribers” that violate different sections of our MLS Rules and Regulations. This rule does not apply to any allegation regarding the unauthorized use of Listing Content.

Section 9.12 Appeals

A participant, subscriber or other authorized user may file a request with the MLS Board of Directors to challenge a finding of a violation. This includes administrative sanctions that are issued by designated MLS staff under the citation system as well as any hearings conducted by the MLS Committee. Such notice shall be in writing, specifically identify the allegedly unauthorized content, and be delivered to the MLS not more than sixty (60) days after the alleged misuse was first identified. No participant may pursue action over the alleged unauthorized use and display of listing content in a court of law without first completing the notice and response procedures outlined in this Section 9.3 of the MLS rules.

Upon receiving a notice, Board of Directors will send the notice to the participant who is accused of unauthorized use. Within ten (10) days from receipt, the participant must either: 1) remove the allegedly unauthorized content, or 2) provide proof to the Board of Directors that the use is authorized. Any proof submitted will be considered by the Board of Directors, and a decision of whether it establishes authority to use the listing content will be made within thirty (30) days.

If the Board of Directors determines that the use of the content was unauthorized, the Board of Directors may issue a sanction pursuant to Section 7 of the MLS rules, including a request to remove and/or stop the use of the unauthorized content within ten (10) days after transmittal of

the decision. If the unauthorized use stems from a violation of the MLS rules, that too will be considered at the time of establishing an appropriate sanction.

If after ten (10) days following transmittal of the Board of Director's determination the alleged violation remains uncured (i.e. the content is not removed or the rules violation remains uncured), then the complaining party may seek action through a court of law. (Adopted 5/18). **M**

Section 9.4 MLS Rules Violations

MLS participants may not take legal action against another participant for alleged rules violation(s) unless the complaining participant has first exhausted the remedies provided in these rules. (Adopted 5/18)

^{2 **}This section should not be construed to require the participant to lease a copy of the MLS compilation for any licensee (or licensed or certified appraiser) affiliated with the participant who is engaged exclusively in a specialty of the real estate business other than listing, selling, or appraising the types of properties which are required to be filed with the MLS and who does not, at any time, have access to or use of the MLS information or MLS facility of the association.

Section 12.1 Display

Section 12.2 Reproduction Amended:

Option #1: Participants or their affiliated licensees shall not reproduce any MLS compilation or any portion thereof, except in the following limited circumstances:

Participants or their affiliated licensees may reproduce from the MLS compilation and distribute to prospective purchasers a reasonable^{3*} number of single copies of property listing data contained in the MLS compilation which relate to any properties in which the prospective purchasers are or may, in the judgment of the participant or their affiliated licensees, be interested.

Reproductions made in accordance with this rule shall be prepared in such a fashion that the property listing data of properties other than that in which the prospective purchaser has expressed interest, or in which the participant or the affiliated licensees are seeking to promote interest, does not appear on such reproduction.

Nothing contained herein shall be construed to preclude any participant from utilizing, displaying, distributing, or reproducing property listing sheets or other compilations of data pertaining exclusively to properties currently listed for sale with the participant.

Any MLS information, whether provided in written or printed form, provided electronically, or provided in any other form or format, is provided for the exclusive use of the participant and those licensees affiliated with the participant who are authorized to have access to such information. Such information may not be transmitted, retransmitted, or provided in any manner to any unauthorized individual, office, or firm.

None of the foregoing shall be construed to prevent any individual legitimately in possession of current listing information, sold information, comparables, or statistical information from utilizing such information to support valuations on particular properties for clients and customers. Any MLS content in data feeds available to participants for real estate brokerage purposes must also be available to participants for valuation purposes, including automated valuations. MLSs must either permit use of existing data feeds, or create a separate data feed to satisfy this requirement. MLSs may require execution of a third-party license agreement where deemed appropriate by the MLS. MLSs may require participants who will use such data feeds to pay the reasonably estimated costs incurred by the MLS in adding or enhancing its downloading capacity for this purpose. Information deemed to be confidential may not be reproduced and

attached to the report as supporting documentation. Any other use of such information is unauthorized and prohibited by these rules and regulations.

Note: Concerning Section 12.2, associations are advised to select one rule from the three (3) alternatives that are presented as Options #1, #2 taking into consideration any policy that may have been established or any recommendations or suggestions from the appropriate state association, as well as the needs and practices of the local association. **M**

Use of MLS Information

Section 13 Limitations on Use of MLS Information

However, any print or non-print forms of advertising or other forms of public representations based in whole or in part on information supplied by the association or its MLS must clearly demonstrate the period of time over which such claims are based and must include the following, or substantially similar, notice:

Based on information from the Southeastern Indiana Board of REALTORS® (alternatively, from the Multiple Listing Service of Southeastern Indiana, Inc.) for the period (date) through (date).
(Amended 11/93)

Note: Associations are advised to select one rule for the two (2) alternatives above. **M**

Changes in Rules and Regulations

Section 14 Changes in Rules and Regulations

Amendments to the rules and regulations of the service shall be by consideration and approval of the board of directors of the multiple listing service, subject to final approval by the board of directors of the Southeastern Indiana Board of REALTORS® (shareholder).

Note: Some associations may prefer to change the rules and regulations by a vote of the participants of the service, subject to approval of the board of directors of the service, with final approval by the board of directors of the association of REALTORS® which is the sole and exclusive shareholder of the stock of the service corporation. **M**

Section 15 (deleted per NAR 5/19/2016)

Section 16.1 Coming Soon

"Coming Soon" is a status for properties where the seller is authorizing the broker to disseminate information about the listing to other Participants and Subscribers, but the seller is not ready to accept offers and is delaying access to the property for a period of time not to exceed ten (10) calendar days ("Showing Start Date") after the listing agreement is signed.

Section 16.2 Temporarily Unavailable for Showings

The rules for Availability of Listed Property (Section 2.10) state that if no showings are permitted for more than 24 hours, the status of a listing must be changed to withdrawn. However, this 24-hour rule is temporarily suspended while a property's status is set to coming soon.

A property may be eligible for the coming soon status if the seller has affirmatively indicated that no buyers will have access to the property for a period of time not to exceed ten (10) calendar days after the listing agreement is signed. The listing broker must advise the seller that in order to avoid misrepresenting the availability of access to the property, the mls does not allow the Showing Start Date to be changed in our system once it is entered in the appropriate field and the listing is disseminated to other Participants and Subscribers.

No Participant or Subscriber, including the listing broker, may show the property while its status is set to coming soon. The listing broker must also advise the sellers that if contacted directly by a buyer or their agent, they should decline to provide access to the property prior to the Showing Start Date in order to avoid any accusation of deceptive advertising practices with regard to when buyers would have access to the property.

Note: The ten (10) calendar day limit for the showing start date is measured from the day the listing agreement is signed by the seller, not from the day the listing is entered into our MLS or first advertised to the public.

Section 16.3 Marketing

Since the seller is authorizing the listing broker to disseminate information to other Participants and Subscribers, any advertising of the property is still subject to the rules on Clear Cooperation (Section 1.01). Therefore, the listing must be submitted to the mls within one (1) business day of marketing the property to the public.

A listing broker must clearly disclose the coming soon status of a property in all of their advertising. Any real estate signs marketing the property or its location may satisfy this requirement by prominently display the phrase "Coming Soon" on the sign or rider. All other forms of advertising need to include the phrase above along with a statement that identifies the Showing Start Date.

References to coming soon in any advertising of the property must also be immediately updated once the property's status changes.

Note 1: The requirement to disclose the coming soon status of a property also applies during the one (1) business day window after the first public marketing of the property that triggers the Clear Cooperation rules.

Note 2: The following are some examples of how the Showing Start Date could be identified in other forms of advertising as discussed above:

- Coming Soon. No showings until January 1st.
- Showings for this coming soon property are available starting January 1st.

MLS staff or a hearing panel convened to review a specific, alleged complaint also have the discretion to determine whether other language was sufficient to satisfy this requirement in a given case.

Section 16.4 Data Feeds

The listing broker must advise the seller that our mls does not include properties with the coming soon status in the data feeds that are provided to public facing media. This includes the websites of other brokers that utilize data from Internet Data Exchange (Section 18 – 18.4) feeds and third-party syndication websites (i.e. Zillow, REALTOR.com, etc).

However, our mls does include properties set to the coming soon status in the data feeds that Participants and Subscribers can use under the rules for Virtual Office Websites (Section 19 – 19.25).

Section 16.5 Limited Use

A property may only be eligible for coming soon one time with the same owner unless the property has been off-market for at least sixty (60) calendar days. In this context off-market is defined as a listing agreement that expired or was terminated for that length of time.

Section 16.6 Mandatory Status Change

A property's eligibility for the Coming Soon status automatically ends on the Showing Start Date. On that date the showing status must be changed to one of the following:

- If all buyers have access to the property, then the status will be changed from Coming Soon to Active; or
- If the seller is still delaying access to the property, then the status will be changed from Coming Soon to Withdrawn until the property is available for showings to all buyers.

Note: The Coming Soon rules covered through Section 16 provide a few limited exceptions to the normal procedures that govern a listing that is entered into our mls. However, all of these exceptions end on the Showing Start Date including, but not limited to, the 24-hour rule regarding access for showings. The listing broker must also advise the seller in writing that this status must

be changed on the Showing Start Date and this date may not be changed once it is entered in the MLS for dissemination to other participants and subscribers.

Section 16.7 Accepting Offers

A property may be eligible for the coming soon status if the seller has agreed not to accept any offers until after the property status has been changed to active.

Section 16.8 Written Documentation

In addition to signing a listing agreement as specified under Listing Procedures (Section 1), the seller and listing broker must complete and sign a *Coming Soon Authorization* form that confirms the listing broker has advised the seller of the rules related to marketing properties as coming soon within our mls.

The Multiple Listing Service of Southeastern Indiana will provide a model form that Participants and Subscribers may access for free in order to comply with this documentation requirement. Participants and Subscribers may also use an alternative document of their own choosing as long as it covers all of the eligibility requirements identified above including, but not limited to, a Showing Start Date.

This form must be uploaded to the listing when it is entered into the system.

Section 16.9 Days on Market

None of the time that passes while a property is set to the coming soon status will count towards the days on market in our mls.

Orientation

Section 17 Orientation

Any applicant for MLS participation and any licensee (including licensed or certified appraisers) affiliated with an MLS participant who has access to and use of MLS-generated information shall complete an orientation program of no more than eight (8) classroom hours devoted to the MLS rules and regulations and computer training related to MLS information entry and retrieval and the operation of the MLS within thirty (30) days after access has been provided. *(Amended 11/04)*

M

Participants and subscribers may be required, at the discretion of the MLS, to complete additional training of not more than four (4) classroom hours in any twelve (12) month period when deemed necessary by the MLS to familiarize participants and subscribers with system changes or enhancements and/or changes to MLS rules or policies. Participants and subscribers must be

given the opportunity to complete any mandated orientation and additional training remotely.
(Adopted 11/17)

Internet Data Exchange (IDX)

Section 18 IDX Defined

IDX affords MLS participants the ability to authorize limited electronic display and delivery of their listings by other participants via the following authorized mediums under the participant's control: websites, mobile apps, and audio devices. As used throughout these rules, "display" includes "delivery" of such listing. (Amended 5/17) **M**

Section 18.1 Authorization

Option #1: Participants' consent for display of their listings by other participants pursuant to these rules and regulations is presumed unless a participant affirmatively notifies the MLS that the participant refuses to permit display (either on a blanket or on a listing-by-listing basis). If a participant refuses on a blanket basis to permit the display of that participant's listings, that participant may not download, frame or display the aggregated MLS data of other participants. Even where participants have given blanket authority for other participants to display their listings through IDX sites, such consent may be withdrawn on a listing-by-listing basis where the seller has prohibited all Internet display or other electronic forms of display or distribution. (Amended 05/17)

Section 18.2 Participation

Note: Select one of the following four options. Participation in IDX may be limited to MLS participants engaged in real estate brokerage by adopting Option #3 or Option #4. **M**

Option #4: Participation in IDX is available to all MLS participants who are REALTORS® who are engaged in real estate brokerage and who consent to display of their listings by other participants. (Amended 11/09)

Section 18.2.1

Participants must notify the MLS of their intention to display IDX information and must give the MLS direct access for purposes of monitoring/ensuring compliance with applicable rules and policies. (Amended 05/12) **M**

Section 18.2.2

MLS participants may not use IDX-provided listings for any purpose other than display as provided for in these rules. This does not require participants to prevent indexing of IDX listings by recognized search engines. (Amended 05/12) **M**

Section 18.2.3

Listings, including property addresses, can be included in IDX displays except where a seller has directed their listing broker to withhold their listing or the listing's property address from all display on the Internet (including, but not limited to, publicly-accessible websites or VOWs) or other electronic forms of display or distribution. *(Amended 05/17)* **M**

Section 18.2.4

Participants may select the listings they choose to display through IDX based only on objective criteria including, but not limited to, factors such as geography or location ("uptown," "downtown," etc.), list price, type of property (e.g., condominiums, cooperatives, single-family detached, multi-family), or type of listing (e.g., exclusive right-to-sell or exclusive agency). Selection of listings displayed through IDX must be independently made by each participant. *(Amended 11/21)* **M**

Section 18.2.5

Participants must refresh all MLS downloads and displays automatically fed by those downloads not less frequently than every twelve (12) hours. *(Amended 11/14)* **M**

Section 18.2.6

Except as provided in the IDX policy and these rules, an IDX site or a participant or user operating an IDX site or displaying IDX information as otherwise permitted may not distribute, provide, or make any portion of the MLS database available to any person or entity. *(Amended 05/12)* **M**

Section 18.2.7

Any IDX display controlled by a participant must clearly identify the name of the brokerage firm under which they operate in a readily visible color and typeface. For purposes of the IDX policy and these rules, "control" means the ability to add, delete, modify and update information as required by the IDX policy and MLS rules. *(Amended 5/12)*

Section 18.2.8

Any IDX display controlled by a participant or subscriber that

- a. allows third-parties to write comments or reviews about particular listings or displays a hyperlink to such comments or reviews in immediate conjunction with particular listings, or
- b. displays an automated estimate of the market value of the listing (or hyperlink to such estimate) in immediate conjunction with the listing,

either or both of those features shall be disabled or discontinued for the seller's listings at the request of the seller. The listing broker or agent shall communicate to the MLS that the seller has elected to have one or both of these features disabled or discontinued on all displays controlled by participants. Except for the foregoing and subject to Section 18.2.9, a participant's IDX display may communicate the participant's professional judgment concerning any listing. Nothing shall prevent an IDX display from notifying its customers that a particular feature has been disabled at the request of the seller. (Amended 5/12) **M**

Section 18.2.9

Participants shall maintain a means (e.g., e-mail address, telephone number) to receive comments about the accuracy of any data or information that is added by or on behalf of the participant beyond that supplied by the MLS and that relates to a specific property. Participants shall correct or remove any false data or information relating to a specific property upon receipt of a communication from the listing broker or listing agent for the property explaining why the data or information is false. However, participants shall not be obligated to remove or correct any data or information that simply reflects good faith opinion, advice, or professional judgment. (Amended 05/12) **M**

Section 18.2.10

An MLS Participant (or where permitted locally, an MLS Subscriber) may co-mingle the listings of other brokers received in an IDX feed with listings available from other MLS IDX feeds, provided all such displays are consistent with the IDX rules, and the MLS Participant (or MLS Subscriber) holds participatory rights in those MLSs. As used in this policy, "co-mingling" means that consumers are able to execute a single property search of multiple IDX data feeds resulting in the display of IDX information from each of the MLSs on a single search results page; and that Participants may display listings from each IDX feed on a single webpage or display. (Adopted 11/14) **M**

Section 18.2.11 of the Internet Data Exchange ("IDX) Rules was added (all types):

Participants shall not modify or manipulate information relating to other participants' listings. MLS participants may augment their IDX displays of MLS data with applicable property information from other sources to appear on the same webpage or display, clearly separated by the data supplied by the MLS. The source(s) of the information must be clearly identified in the immediate proximity to such data. This requirement does not restrict the format of MLS data

display or display of fewer than all of the available listings or fewer authorized fields. (Adopted 5/15) **M**

Section 18.2.12

All listings displayed pursuant to IDX shall identify the listing firm, and the email or phone number provided by the listing participant in a reasonably prominent location and in a readily visible color and typeface not smaller than the median used in the display of listing data.^{4*} (Amended 11/21) **M**

Section 19

Virtual Office Websites (VOWs)

Section 19.1 VOW Defined

a. A “Virtual Office Website” (VOW) is a participant’s Internet website, or a feature of a participant’s website, through which the participant is capable of providing real estate brokerage services to consumers with whom the participant has first established a broker-consumer relationship (as defined by state law) where the consumer has the opportunity to search MLS listing information, subject to the participant’s oversight, supervision, and accountability. A non-principal broker or sales licensee affiliated with a participant may, with his or her participant’s consent, operate a VOW. Any VOW of a non-principal broker or sales licensee is subject to the participant’s oversight, supervision, and accountability. **M**

- b. As used in Section 19 of these rules, the term “participant” includes a participant’s affiliated non-principal brokers and sales licensees—except when the term is used in the phrases “participant’s consent” and “participant’s oversight, supervision, and accountability”. References to “VOW” and “VOWs” include all Virtual Office Websites, whether operated by a participant, by a non-principal broker or sales licensee, or by an “Affiliated VOW Partner” (AVP) on behalf of a participant. **M**
- c. “Affiliated VOW Partner” (AVP) refers to an entity or person designated by a participant to operate a VOW on behalf of the participant, subject to the participant’s supervision, accountability, and compliance with the VOW policy. No AVP has independent participation rights in the MLS by virtue of its right to receive information on behalf of a participant. No AVP has the right to use MLS listing information, except in connection with operation of a VOW on behalf of one or more participants. Access by an AVP to MLS listing information is derivative of the rights of the participant on whose behalf the AVP operates a VOW. **M**
- d. As used in Section 19 of these rules, the term “MLS listing information” refers to active listing information and sold data provided by participants to the MLS and aggregated and distributed by the MLS to participants. **M**

Section 19.2

- a. The right of a participant’s VOW to display MLS listing information is limited to that supplied by the MLS(s) in which the participant has participatory rights. However, a participant with offices participating in different MLSs may operate a master website with links to the VOWs of the other offices. **M**
- b. Subject to the provisions of the VOW policy and these rules, a participant’s VOW, including any VOW operated on behalf of a participant by an AVP, may provide other features, information, or functions, e.g., “Internet Data Exchange” (IDX). **M**
- c. Except as otherwise provided in the VOW policy or in these rules, a participant need not obtain separate permission from other MLS participants whose listings will be displayed on the participant’s VOW. **M**

Section 19.3

- a. Before permitting any consumer to search for or retrieve any MLS listing information on his or her VOW, the participant must take each of the following steps.
 - i. The participant must first establish with that consumer a lawful broker-consumer relationship (as defined by state law), including completion of all actions required by state law in connection with providing real estate brokerage services to clients and customers (hereinafter, “Registrants”). Such actions shall include, but are not limited to, satisfying all

applicable agency, non-agency, and other disclosure obligations, and execution of any required agreements.

- ii. The participant must obtain the name of and a valid e-mail address for each Registrant. The participant must send an e-mail to the address provided by the Registrant confirming that the Registrant has agreed to the terms of use (described in Subsection d., below). The participant must verify that the e-mail address provided by the Registrant is valid and that the Registrant has agreed to the terms of use.
 - iii. The participant must require each Registrant to have a user name and a password, the combination of which is different from those of all other Registrants on the VOW. The participant may, at his or her option, supply the user name and password or may allow the Registrant to establish its user name and password. The participant must also assure that any e-mail address is associated with only one user name and password. **M**
- b. The participant must assure that each Registrant's password expires on a date certain, but may provide for renewal of the password. The participant must at all times maintain a record of the name, e-mail address, user name, and current password of each Registrant. The participant must keep such records for not less than one hundred eighty (180) days after the expiration of the validity of the Registrant's password. **M**
- c. If the MLS has reason to believe that a participant's VOW has caused or permitted a breach in the security of MLS listing information or a violation of MLS rules, the participant shall, upon request of the MLS, provide the name, e-mail address, user name, and current password, of any Registrant suspected of involvement in the breach or violation. The participant shall also, if requested by the MLS, provide an audit trail of activity by any such Registrant. **M**
- d. The participant shall require each Registrant to review and affirmatively to express agreement (by mouse click or otherwise) to a terms of use provision that provides at least the following:
- i. that the Registrant acknowledges entering into a lawful consumer-broker relationship with the participant
 - ii. that all information obtained by the Registrant from the VOW is intended only for the Registrant's personal, non-commercial use
 - iii. that the Registrant has a bona fide interest in the purchase, sale, or lease of real estate of the type being offered through the VOW
 - iv. that the Registrant will not copy, redistribute, or retransmit any of the information provided, except in connection with the Registrant's consideration of the purchase or sale of an individual property
 - v. that the Registrant acknowledges the MLS' ownership of and the validity of the MLS' copyright in the MLS database **M**

- e. The terms of use agreement may not impose a financial obligation on the Registrant or create any representation agreement between the Registrant and the participant. Any agreement entered into at any time between the participant and Registrant imposing a financial obligation on the Registrant or creating representation of the Registrant by the participant must be established separately from the terms of use, must be prominently labeled as such, and may not be accepted solely by mouse click. **M**
- f. The terms of use agreement shall also expressly authorize the MLS and other MLS participants or their duly authorized representatives to access the VOW for the purposes of verifying compliance with MLS rules and monitoring display of participants' listings by the VOW. The agreement may also include such other provisions as may be agreed to between the participant and the Registrant. **M**

Section 19.4

A participant's VOW must prominently display an e-mail address, telephone number, or specific identification of another mode of communication (e.g., live chat) by which a consumer can contact the participant to ask questions or get more information about any property displayed on the VOW. The participant or a non-principal broker or sales licensee licensed with the participant must be willing and able to respond knowledgeably to inquiries from Registrants about properties within the market area served by that participant and displayed on the VOW. **M**

Section 19.5

A participant's VOW must employ reasonable efforts to monitor for and prevent misappropriation, scraping, and other unauthorized uses of MLS listing information. A participant's VOW shall utilize appropriate security protection such as firewalls as long as this requirement does not impose security obligations greater than those employed concurrently by the MLS. **M**

Note: MLSs may adopt rules requiring Participants to employ specific security measures, provided that any security measure required does not impose obligations greater than those employed by the MLS.

Section 19.6

- a. A participant's VOW shall not display the listings or property addresses of any seller who has affirmatively directed the listing broker to withhold the seller's listing or property address from display on the Internet. The listing broker shall communicate to the MLS that the seller has elected not to permit display of the listing or property address on the Internet. Notwithstanding the foregoing, a participant who operates a VOW may provide to consumers

- via other delivery mechanisms, such as e-mail, fax, or otherwise, the listings of sellers who have determined not to have the listing for their property displayed on the Internet. **M**
- b. A participant who lists a property for a seller who has elected not to have the property listing or the property address displayed on the Internet shall cause the seller to execute a document that includes the following (or a substantially similar) provision. **M**

Seller Opt-out Form

1. Check one.

- a. I have advised my broker or sales agent that I do not want the listed property to be displayed on the Internet.
- b. I have advised my broker or sales agent that I do not want the address of the listed property to be displayed on the Internet.

2. I understand and acknowledge that if I have selected Option a., consumers who conduct searches for listings on the Internet will not see information about the listed property in response to their searches.

Initials of Seller

- c. The participant shall retain such forms for at least one (1) year from the date they are signed or one (1) year from the date the listing goes off the market, whichever is greater. **M**

Section 19.7

- a. Subject to Subsection b., below, a participant's VOW may allow third-parties:
- i. to write comments or reviews about particular listings or display a hyperlink to such comments or reviews in immediate conjunction with particular listings, or
 - ii. to display an automated estimate of the market value of the listing (or hyperlink to such estimate) in immediate conjunction with the listing. **M**
- b. Notwithstanding the foregoing, at the request of a seller, the participant shall disable or discontinue either or both of those features described in Subsection a. as to any listing of the seller. The listing broker or agent shall communicate to the MLS that the seller has elected to have one or both of these features disabled or discontinued on all participants' websites. Subject to the foregoing and to Section 19.8, a participant's VOW may communicate the participant's professional judgment concerning any listing. A participant's VOW may notify its customers that a particular feature has been disabled at the request of the seller. **M**

Section 19.8

A participant's VOW shall maintain a means (e.g., e-mail address, telephone number) to receive comments from the listing broker about the accuracy of any information that is added by or on behalf of the participant beyond that supplied by the MLS and that relates to a specific property displayed on the VOW. The participant shall correct or remove any false information relating to a specific property within forty-eight (48) hours following receipt of a communication from the listing broker explaining why the data or information is false. The participant shall not, however, be obligated to correct or remove any data or information that simply reflects good faith opinion, advice, or professional judgment. **M**

Section 19.9

A participant shall cause the MLS listing information available on its VOW to be refreshed at least once every three (3) days. **M**

Section 19.10

Except as provided in these rules, in the NATIONAL ASSOCIATION OF REALTORS[®] VOW policy, or in any other applicable MLS rules or policies, no participant shall distribute, provide, or make accessible any portion of the MLS listing information to any person or entity. **M**

A participant's VOW must display the participant's privacy policy informing Registrants of all of the ways in which information that they provide may be used. **M**

Section 19.12

A participant's VOW may exclude listings from display based only on objective criteria, including, but not limited to, factors such as geography, list price, or type of property. (Amended 5/21) **M**

Section 19.13

A participant who intends to operate a VOW to display MLS listing information must notify the MLS of its intention to establish a VOW and must make the VOW readily accessible to the MLS and to all MLS participants for purposes of verifying compliance with these rules, the VOW policy, and any other applicable MLS rules or policies. **M**

Section 19.14

A participant may operate more than one VOW himself or herself or through an AVP. A participant who operates his or her own VOW may contract with an AVP to have the AVP

operate other VOWs on his or her behalf. However, any VOW operated on behalf of a participant by an AVP is subject to the supervision and accountability of the participant. **M**

Note: Adoption of **Sections 19.15 through 19.19** is at the discretion of the MLS. However, if any of the following sections are adopted, an equivalent requirement must be imposed on participants' use of MLS listing information in providing brokerage service through all other delivery mechanisms. **(Not adopted)**

Note: If sold information is publicly accessible in the Service Areas of the MLS, Subsection 19.15f. must be omitted. **M**

Section 19.20

A participant shall require that Registrants' passwords be reconfirmed or changed every 90 days. **O**

Note: The number of days passwords remain valid before being changed or reconfirmed must be specified by the MLS in the context of this rule and cannot be shorter than ninety (90) days. Participants may, at their option, require Registrants to reconfirm or change passwords more frequently. **M**

Section 19.21

A participant may display advertising and the identification of other entities ("co-branding") on any VOW the participant operates or that is operated on his or her behalf. However, a participant may not display on any such VOW deceptive or misleading advertising or co-branding. For purposes of this section, co-branding will be presumed not to be deceptive or misleading if the participant's logo and contact information (or that of at least one participant, in the case of a VOW established and operated on behalf of more than one participant) is displayed in immediate conjunction with that of every other party, and the logo and contact information of all participants displayed on the VOW is as large as the logo of the AVP and larger than that of any third party. **O**

Section 19.22

A participant shall cause any listing displayed on his or her VOW obtained from other sources, including from another MLS or from a broker not participating in the MLS, to identify the source of the listing. **O**

Section 19.23

A participant shall cause any listing displayed on his or her VOW obtained from other sources, including from another MLS or from a broker not participating in the MLS, to be searched separately from listings in the MLS. **O**

Section 19.24

Participants and the AVPs operating VOWs on their behalf must execute the license agreement required by the MLS. ○

Section 19.25
